----------------	---

Dear Teams,

Revised Accommodation Booking Process

This is a correction to the Accommodation Booking Process stated in Bulletin 2, which will supercede the Booking Process in Bulletin 2:

- 1) Email sgcanoepolo@gmail.com with the following email title, country and category e.g. **"BOOKING FOR ACPC 2023 - Singapore (U21 Men & U21 Women)"** to make your booking. Bookings will be allocated on a first-come, first-served basis.
- 2) Payment amounts and bank account details will be shared via email after your bookings are sent in.
- 3) **Payment must be made before 30 Jun 2023 to secure your booking.** We will not be able to ensure that the rooms will still be available for booking after 30 Jun 2023.
- 4) CSC Changi will provide up to 8 free mattresses for teams that are booking the Netheravon Terraces (at CSC Changi II) (i.e. each Netheravon Terrace will be able to house up to 16 pax instead of 8 pax at the same cost).
- 5) Except for points 1-4 above, all other details regarding Accommodation remain the same, please refer to Bulletin 2.

Transportation of Boats to Singapore

In light of the feedback received from teams across different countries that they have encountered difficulties or were unable to bring their boats on flights in the recent months, we would like to remind all teams bringing boats / canoes on flights to Singapore to **double check with the airlines on whether they are able to accept the boats / canoes as check-in baggages**, given the dimensions of the canoes (including

boat bags). There were instances where some teams had to check in their boats without boat bags due to dimension restrictions from airlines.

Otherwise, you may want to explore other options such as air freight / sea freight to transport your boats to Singapore, or opt for boat rental. There are limited boats for rental, hence please indicate in the registration forms if you require boat rental.

Do also note that teams are not allowed to share/borrow boats from a different nation, as each boat will be pasted with country-specific stickers during the scrutineering process (except for the rented boats provided by the Organizing Committee).
